COOKER

Sindy 17

4448. Sindy's magic cooker

This battery-operated cooker has the aspects of a real cooker except heat. The four hobs have a magic ingredient that enables you to HEAR & TASTE COOKING.

Put the kettle on any of the hobs and watch it build up its whistle and steam when removed. The pressure cooker in any hob will build up an intermittent hiss, simulates crackle and sizzle in the frying pan and potatoes boil and bubble.

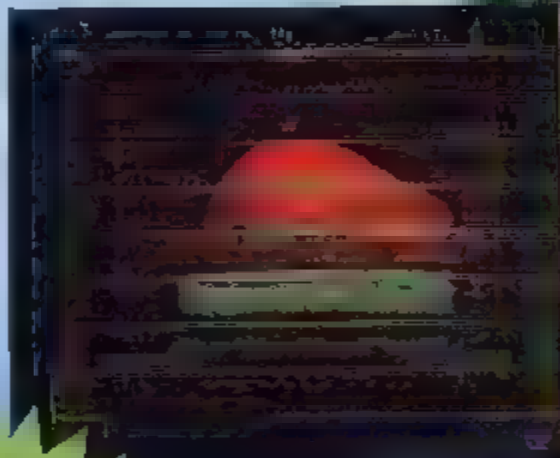

The magic cooker senses what's cooking and makes all the right noises at the right time for any combination.

The grill has sensor lights in automatic light. The oven has an automatic light and a timer which will tell you when the bakers' clock

Lights up when in use.
